Training Calendar for July 2015 – December 2015

Due to upgrading to our new and improved registration system, the next Training Calendar will not be available until May 4, 2015. On May 4th, all NCJA courses and their dates will be available. Also, on this date you will be able to register for NCJA courses on our new registration site: <https://ncja-portal.acadisonline.com> or you can still register with the traditional Course Application form.

If you have not registered on our new portal, you will want to register before April 29th so you can receive your user ID before May 4th. (If you have taken any of our online courses since September 2014, then you are already registered.) To register:

1. Go to our portal site at: <https://ncja-portal.acadisonline.com>.
2. Click on the WebForms on the right side.
3. Click on "New User Registration," complete it and then click "Done" at the bottom of the form.
4. Within 48 hours you should receive an email containing your user name which is your email and a computer generated password from the NCJA system administrator.
5. After receiving this email, you can go to <https://ncja-portal.acadisonline.com> and enter your user name and assigned password.
6. Agree to the "User Acceptance Policy."
7. Create your own password. **Please keep in a secure place.**
8. Then on May 4th you will be ready to click on "Training and Events" tab and then click on "Browse or Sign Up for Training." You will see a list of all available courses to register for – without faxing or mailing in anything. You can do it with a click of the mouse!

We realize that there will be some "growing pains" with our new online registration system so please be patient with us. However, we do encourage you to go ahead and have your officers register on the website before April 29th.
