Training for Trouble: What It Takes to Wear a Badge

WECT out of Wilmington did a nice story about the NCJA. We love our officers and we love you training with us at the Academy.

Rapid Deployment Training for the Active Shooter

The Active Shooter is an issue of great concern and priority to our law enforcement profession. Recent events across the world have highlighted the need for realistic training that includes concepts, principles, and tactics designed to meet the challenges presented by these threats. Check this link for important new information. <http://ncja.ncdoj.gov/RDTASl.aspx>

2018 In-Service Topics

Please email your 2018 in-service topic ideas to [Bill Dubois](#) by August 15. Thanks.

Outside Agency Meeting

Our annual outside agency meeting is scheduled for Wednesday, August 24 at 9:00am in cafeteria. Please plan to attend if you are a coordinator for an outside agency. This is a time for us to share what is available at NCJA and a great time for you to ask questions and offer suggestions.

New Employee

NCJA welcomes Scott Tyson to our Law Enforcement Leadership Center. Scott's federal career was spent with DOJ and DOD doing counter-drug and counter-terrorism work. He is a native of Dunn, NC and is very happy to return to his home state with an opportunity to serve at the NCJA. He is taking over the Tactical Leadership Instructor position located in Salemburg. Welcome!

Syringe Exchange Programs

NC recently passed a law, [House Bill 972](#), legalizing syringe exchange programs. The NC Harm Reduction Coalition (NCHRC) has put together some materials to help law enforcement understand what syringe exchange programs are and what they mean for LEOs.
