New Employee

NCJA welcomes Michael Cummings as our Library Supervisor. Michael has twenty years of experience in a variety of public, academic, and government libraries, including ten years as a librarian with the Environmental Protection Agency. He has a B.A. in English from UNC Pembroke and a master of library & information science from UNC Chapel Hill. His first job was mowing lawns for neighbors; his favorite restaurant is Beasley's in Raleigh and the Tarheels are his favorite team. His motto is from Confucianism: "What you do not wish for yourself, do not do to others." When you are on the Salemburg campus, please stop by and introduce yourself.

Smartphone/Mobile app for NCJA

Coming in 2018 – We are launching a new app which will be a central location for many of the services we provide, e.g., links to Acadis for registration, class schedules, library, bookstore, contact and short bio information about instructors, weather alerts, emergency alerts, podcast, Facebook page and Twitter feed, residence halls, and evaluations for their courses and other surveys that have been posted. We will be looking for beta testers of the app within the next two months. If you are interested in running the beta version on your device(s), then please contact jzimmerman@ncdoj.gov.
