### In-service News/Reminders

Instructor testing is still available via the North Carolina Justice Academy In-Service page and over 2200 instructors have already tested using this on-line testing option. The feedback continues to be very positive and your comments are appreciated. [NCJA In-Service page](#)

As a reminder, Criminal Justice instructors must pass a written test on each in-service Commission course requiring testing **PRIOR to teaching** the specific block of instruction in a traditional classroom setting. **This testing only authorizes the instructor to teach the course in a traditional format.** For on-line training, instructors must take the course and pass the test in order to satisfy their own in-service training requirement and to administer the course in an on-line format. As always, please

continue to check the in-service website prior to any course delivery to ensure you are using the most current materials available.

## **2017 In-service Training Topics Suggestions**

Help decide the in-service training topics for 2017!

The Joint In-Service Training Subcommittee and the Sheriff's In-Service Training Committee receives many suggestions for in-service training topics throughout the year. Topic suggestions are greatly appreciated and become a vital part of the topic approval process. This survey will be active until September 1, 2015. Please feel free to send the survey link to other North Carolina law enforcement professionals. [2017 In-Service Survey](#)
