

School Resource Officer (SRO) Training

Both the Criminal Justice and Sheriffs' Education and Training Standards Commissions have mandated (effective 1/1/19) that all officers serving as SROs must complete, within 12 months of assignment as an SRO, the **Basic School Resource Officer** course authored by the North Carolina Justice Academy (NCJA).

Due to the implementation of this requirement, the NCJA anticipates a high demand for this training. To meet this demand, the NCJA is making available a 'Train-The-Trainer (TTT)' process for officers who are currently Commission-certified as General Instructors. In order to teach the Basic SRO course, an individual must have completed the Basic SRO course and currently be a Commission-certified General Instructor.

The NCJA is proud to announce a special Basic SRO course, which will include the TTT component. Commission-certified General Instructors completing this course will be eligible to teach the Basic SRO course for their respective agencies, or via the NC Community College System. Enrollment for the course (logistics below) is capped at 40 students. There is no cost for the training, lodging, or meals for students enrolled in this course.

Course Dates: July 29th thru August 2nd, 2019

Location: Samarcand Training Academy
3600 Samarcand Road
Jackson Springs, NC 27281
